WHY AN APS-FH LEGACY CLUB? To Recognize Commitment & Passion

As people who love animals, we know the importance of protecting and extending the work of the APS-FH today, tomorrow and beyond. An important part of that devotion is to maintain the funds necessary to care for animals in need and the shelter that provides for those needs.

Planned giving is a way to extend our devotion to animals beyond our natural lifetime. What's more, even a modest sized gift can make enormous differences in the lives of homeless animals. Property, insurance policies, retirement accounts - the material things we've worked for - all become the tools for charitable gift planning that allow you to express your values in perpetuity.

ANIMAL PROTECTION SOCIETY - FRIDAY HARBOR is a private non-profit 501(c)(3) no-kill animal shelter serving San Juan Island.

Opened in 1982 on leased space on Wold Road, APS-FH has since provided safe haven to dogs, cats and an occasional 'other' pet. In addition to providing loving homes, we promote humane education and reduce pet overpopulation with an island based low-cost, spay-neuter program.

We receive minimal financial support from the county; we depend primarily on the generosity of our donors.

APS-FH MAKING A DIFFERENCE How Your Gift Will Help

APS-FH provides a necessary safety net for homeless, abused and lost animals - often rescuing them from cruel, neglectful situations until they can be placed in responsible, loving homes.

OUR MISSION

Providing compassionate care and brighter futures for homeless animals.

WE HOPE YOU WILL CONSIDER Becoming A Legacy Club Member

As an APS-FH Legacy Club member, your name will be engraved on a plaque proudly displayed in our lobby and recognized on our website as well, with your permission. You will also receive an invitation to an annual Legacy Club Luncheon to honor your generosity and keep you informed of current happenings at the animal shelter.
